IMPORTANT DISCLAIMER

The fixed fee pricing contained in this document is only applicable to simple matters. In cases where the circumstances are complex, a fixed fee may be provided to meet your individualised case, but it may differ from the fees that are set out below.

At the outset of your matter, we will advise you of the scope of our fixed fee retainer, what costs are included and excluded in your matter and whether there may be any potential additional expenses that may be incurred. In the event that your matter becomes more complex than anticipated and additional work is required beyond the scope of our fixed fee retainer, we will provide you with a detailed cost update for your matter.

The fixed fee pricing set out below does not include the costs of any necessary disbursements. We will not incur any disbursements without first obtaining your permission. These costs will be payable as and when they fall due for payment. Disbursements that may be necessary in your matter include, but are not limited to, court filing fees, title searches, process server fees and any external third-party reports such as medical or valuation reports.

If a barrister is required, or you wish to engage a barrister, the fixed prices set out below do not include the fees of that barrister or our costs for preparing a brief to that barrister. Barristers charge various fees dependent upon their skill, reputation and years of experience. We will ensure that you are fully informed of the costs involved in engaging a barrister before that expense is incurred and a Barrister formally engaged.

If you are unsure as to whether your matter is simple and eligible for the fixed fee amount, please feel free to contact us and we will be able to advise you accordingly.
